

Hello Ladies!

I'm very excited to learn a little more about everyone and I've attached both a pdf and excel version of the SWE profile to help put together our directory. I know sometimes there can be formatting or compatibility issues so this is why I'm sending both versions. If you have any questions feel free to ask! - Thanks, Ashley

PDF

Adobe – click “sign” in top right corner
– click “add text” from drop down panel

PREVIEW – click “pencil/annotations”
icon from the top left toolbar
– click “text box” icon from the dropdown
menu (4th over from left)

Steps:

1. add text to pdf or excel
2. save it as “your name SWE profile”
3. email it back – subject “SWE profile”

Excel

Enter directly into the cells
and email it back to me
